Opus	9

ZWILLING is a name that has been synonymous with premium cutlery since 1731. Flatware produced by ZWILLING is in keeping with this long standing heritage and tradition.

## Material

Each piece is produced from high quality 18/10 stainless steel. The 18% chromium combined with 10% Nickel offers superior corrosion resistance. The Nickel also maintains the silver like luster over time. The dinner and steak knives are forged for superior cutting precision.

## Production

Produced in compliance with strict quality standards. All surfaces and edges are carefully polished.

## Weight

Heavy gauge and substantial sizing for perfect balance and the feeling of quality in the hand.

## Dishwasher Safe

ZWILLING flatware can be safely washed in a commercial dishwasher.

Each flatware pattern offers the below items:

Dinner Knife

Dinner / Soup Spoon

Dinner Fork

Teaspoon

Salad Fork

Serving Spoon

Iced Tea Spoon

Espresso Spoon

Appetizer / Seafood Fork

Butter Knife

Steak Knife
